

## **WEHC2012 – Cape Town & surrounds – 4 day self-drive package**

There is nowhere like Cape Town. Perched between the ocean and the mountain, with a national park as its heart, it's a place to renew and reconnect.

Cape Town, the "Mother City", is the oldest city in our country and has a cultural heritage spanning more than 300 years. It also has the top five national attractions in South Africa that should appear on every visitor's itinerary all year round.

Don't miss a visit up Table Mountain; the V&A Waterfront, a unique shopping and holiday experience on a scenic working harbour; Robben Island, the former home of Nelson Mandela; the Cape Town Wine Routes, where some of the world's best wines are produced and Kirstenbosch Botanical Gardens, internationally acclaimed as one of the great botanical gardens of the world.

The unique topography of the region makes it easy to orientate oneself as long as you remember that with Table Mountain behind you and Robben Island before you, you are facing north, looking across Table Bay and up the west coast of Africa.

You will never be bored in Cape Town. Table Mountain offers some of the best climbing in the world, and it's right here in the city. The surfing is fantastic; the diving is cold but good. You could go mountain biking, or go sea kayaking - you may see whales or penguins. If the wind is right, you could fly off Lion's Head with a qualified tandem paraglider pilot, and land on the beach in time for sundowners. You'll never be bored.

You can shop till you drop at Cavendish, Canal Walk or the Waterfront. There is lots of live music, art exhibitions, museums, plays and even opera, ballet or symphony concerts on all year round.

**DAY 1:** Start off on your first day by orientating yourself with a trip around the **Cape Peninsula**. Follow the False Bay coastline via Kalk Bay, Fish Hoek and Simon's Town. Stop off at the penguin colony at Boulder's Beach and then continue to the Cape Peninsula National Park and **Cape Point**. Within the reserve you will see a wide range of indigenous fynbos as well as baboons, buck and Cape Mountain Zebra. Take a photo at the most south western tip of Africa and admire the views from the cliff tops at the old Lighthouse. Then back along the western shoreline, Chapman's Peak Drive, Hout Bay, Llandudno and Camps Bay.

**DAY 2:** Take the cable car to the top of **Table Mountain** for a birds eye view of the city and the harbour as well as the Atlantic Seaboard beaches. Visit **Greenmarket Square** in the city centre for some African art, jewellery and clothing , then take a walk through **Company Gardens** and visit the South African Museum and / or National Gallery.

**DAY 3:** Visit the world renowned **Kirstenbosch National Botanical Gardens** and enjoy either a leisurely stroll or a more strenuous hike. The gardens are a showcase of South African flora with meandering pathways, small streams and spectacular views from the upper slopes. Then, go on an organised **township tour** and experience for yourself the vibrancy and spirit of the African people.

**DAY 4:** Take the ferry to **Robben Island** and visit the prison that was home to Nelson Mandela as well as many other political prisoners. The trip also includes a tour around the island with its spectacular views back towards Table Mountain. Then spend the afternoon at the **V&A Waterfront** with its shops, craft markets and many restaurants and cafe's. You could also visit the **Two Oceans Aquarium**.
